Regarding this, it is noted that the Ex parte Quayle Office Action required the surrender of the original U.S. Patent No. 5,966,341. In light of the submission of the attached papers, it is Applicants' understanding that all formal matters in regard to this reissue application have been satisfied, and, correspondingly, allowance of this reissue application is respectfully requested.

If the Examiner believes that there are any other points which may be clarified or otherwise disposed of either by telephone discussion or by personal interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below.
